Beautiful mountain and Sea Views

This beautiful piece of land is nestled between two existing homes in the popular neighborhood of Franskraal. The mountain peeking at the back and the ocean view waving from the front. This land is slightly elevated so with an extra nudge with a double storey home, the views would be ideal. A brief stroll and you will be greeted by the gulls and the oceans delights, picking up shells and splashing in the sea water. Such a lovely area with very popular fishing spots and a beautiful beach. Close to Kleinbaai, home to our beautiful great white sharks and just a distance from Gansbaai and its amenities.
