St Helena Views – Various Size Plots for Sale in Phase 2

Located in St. Helena Bay on the Cape West Coast, this estate consists of three phases, each with its own private access through single entrances, boundary walls and natural indigenous greenbelt landscaping, fauna and flora. This tranquil, North facing estate offers a multitude of options for expectant home builders. Coastal greenbelts and natural tidal pools are the playground for beachfront property owners, while magnificent ocean views are afforded to almost every other stand in the estate. All three phases of this estate are fringed by untouched fynbos and ancient rock formations. Situated in the heart of the West Coast, St Helena Bay is recognized as one of the calmest bays in the world and the only bay on the West Coast of South Africa where you will see...
